Henri Poincaré: A Scientific Biography on JSTOR

Henri Poincaré: A Scientific Biography is a welcome addition to the historiography of science. We have our biographies of political figures, activists, and literati but there is less material on scientists. This book makes a contribution by examining the life of an important scientist. Poincaré was of course more than a scientist.

Henri Poincaré Biography - Famous People

Henri Poincaré did not receive the Nobel Prize in Physics, but he had influential advocates like Henri Becquerel or committee member Gösta Mittag-Leffler. [70] [71] The nomination archive reveals that Poincaré received a total of 51 nominations between 1904 and 1912, the year of his death. [72]
