The system is hills reliance r8 security system. I can't even go inside my new house, what a crap, I had power connected today, as soon as I open the door, siren goes on, I haven't got the code, I tried lot of combination without luck, siren goes off after 15 min. I couldn't find the installer manual either, Any help would be appreciated.

Thanks

reset the HILLS alarm system pin code - Austech

I finally managed on how to reset the red power flashing on the NX & Hills Reliance Panels without resetting the power. After changing the battery and you have closed the Panel cover, go to Keypad and then see if the power light is still flashing Since the alarm panel has been armed/disarmed already, change the system date a couple of days forward in time using the * 96 Feature Arm and then ...
