Historical Foundations of Education - Pearson

The Colonial Period is important to today's education because it set the foundation for Education as I know it today. The group of immigrants that helped shape America into the country it is today did that by applying philosophy, discipline, and a focus on skills. This period set up the country for a positive look on how important education is.

Historical and Philosophical Foundations of Education ...

The curriculum's historical foundations are largely rooted in the educational experiences of colonial Massachusetts. Share The primary purpose of education during the colonial period was to teach children to read the scriptures and notices of civil affairs (Ornstein, 2009, p. 55).
