Political history - Wikipedia

The political essay has never been a clearly defined genre. David Hume may have legitimated it when he classified under a collective rubric his own Essays, Moral, Political, and Literary. "Political history, however, should have come last in order, since Hume took a speculative and detached view of it and seems to have been incapable of feeling passion for a political cause.

History of political science - Wikipedia

Political philosophy, however, is not merely unpractical speculation, though it may give rise to impractical myths: it is a vitally important aspect of life, and one that, for good or evil, has had important results on political action, for the assumptions on which political life is conducted clearly must be based on what actually happens.
