### Amazon.com: Historiography in the Twentieth Century: From ...

Historiography in the Twentieth Century: From Scientific Objectivity to the Postmodern Challenge. The discipline's greatest challenge may have come in the last two decades, when postmodern ideas forced a reevaluation of the relationship of historians to their subject and questioned the very possibility of objective history.

### History Quiz - 20th Century - Quiz-A-Go-Go

Although the character of nineteenth-century historiography was more or less defined along the lines of historicism, positivism and the rise of national histories, this was not the case in the twentieth century. In the first part of the century, historians (with a few distinct exceptions) followed the nineteenth-century paradigms.

### Project MUSE - Historiography in the Twentieth Century

Historiography in the Twentieth Century is concise and well-structured; a perfect introduction to the ways that historians have thought about their discipline and the different approaches they have taken. My only criticism is that postmodernism—officially the topic of a third of the book, but arguably central to the book's emphasis on continuity within the field—annoyingly does not appear in the index.

### 20th Century History - Legends of America

A brief overview of historiographical trends of the late 20th century.

### Historiography in the Twentieth Century: From Scientific ...

In this book, now published in 10 languages, a preeminent intellectual historian examines the profound changes in ideas about the nature of history and historiography. Georg G.
