How To Hit The Sweet Spot Consistently

One of the biggest differences between recreational golfers and the pros is that weekend hackers rarely hit the sweet spot on their irons, at least not consistently. But we can change that.

How to hit the sweet spot: Golf Fix of the Week

4 Inches of Power – The Sweet Spot. Next, we made the hitting surface EXACTLY 17 – 21 inches from the top hand. Voila! Now, without even knowing it you get a blue print in your brain of the proper spatial relationship of your hands to the impact position on the bat that produces POWER.

How to Hit Your Irons on the Sweet Spot - Golf

At the golf clinic, Tiger Woods said with long irons, he tries to hit it on the sweet spot first. To do that, he sometimes swings very slow with his long irons. When you feel like you are not hitting it well, the first thing to do is not to swing faster but to swing slower instead. You can even try half swings. Hit 10 balls with 60% of your power.

How to hit the sweet spot on the club every time

For years I have watched golfers try to purposely hit the sweet spot on their driver and irons. They do with with impact tape or even with spray. As they apply these things to the clubface they are surprised when they see where they actually hit the ball on the face. Too many impact marks are on the heel and toe with a few in the middle.

Hitting the Sweet Spot: How Consumer Insights Can Inspire ...

You turn your hips after you shift your weight and that turns your shoulders, which gets your arms back out in front of your body with your chest, and I can hit the ball in the center of the club face every time. If you're tired of hitting it off the toe, you've got to understand how to keep your shoulders quiet during the down swing. The down swing is primarily driven all by your trunk.

Hitting the sweet spot

Try thinking, "sweet spot" right before you take the club away. This gives a direction to your subconscious mind that will guide your body in achieving that result. My 12-year-old grandson likes to say, "center hit" right before he pulls the trigger, and he gets a pretty good shot whenever he does it.
