I'm a huge fan of the Hot Blood series -- I don't think there's a better anthology series for erotic horror. But of all the books in the entire anthology, Hotter Blood is *the* book no erotic horror fan should be without. The final story in the book, The Braille Encyclopedia, is perhaps the most disturbing, most unbelievable and the most

Blood, and this one, Hottest Blood. They are collections of short horror stories with erotic elements. As a group, all three books are quite good and there are some truly memorable stories throughout the three. Personally, I remember more stories from the first two in the series than from this one.
