In How Asia Works, Joe Studwell distills extensive research into the economics of nine countries—Japan, South Korea, Taiwan, Indonesia, Malaysia, Thailand, the Philippines, Vietnam, and China—into an accessible, readable narrative that debunks Western misconceptions, shows what really happened in Asia and why, and for once makes clear why some countries have boomed while others have ...

How Asia Works : Joe Studwell : 9781846682438

I read Joe Studwell's How Asia Works because it claimed to answer two of the greatest questions in development economics: How did countries like Japan, Taiwan, South Korea, and China achieve sustained, high growth and turn into development success stories? And why have so few other countries managed to do so? Clear answers could benefit billions of people living in countries that are poor ...

Best Joe Studwell How Asia Works in 2020 Reviews & Guide

The author is Joe Studwell and the subtitle is Success and Failure in the World's Most Dynamic Region.. That's an excessively bland title and subtitle, but so far this is perhaps my favorite economics book of the year. Quite simply, it is the best single treatment on what in Asian industrial policy worked or did not work, full of both analysis and specific detail, and covering southeast ...
