*Signs You Need a New Roof -
When to Replace Your Roof
If the timing chain is worn,
usually it's replaced as a
kit with a new tensioner,
guides, and other parts of
the chain drive mechanism.
Many autos have two or even
three chains in their motors
and often your auto repair
shop may recommend replacing
all the chains at once.*

If it's determined that your roof should be replaced prior to going solar, it's a smart move to do so. Solar panels are more durable than most roofing materials. As a result, when you pair solar with a roof replacement, the panels actually extend the lifetime of the portion of the roof that they cover.

When does the timing chain need to be replaced?

You can get an original Social Security card or a replacement card if yours is lost or stolen. There is no charge for a Social Security card. This service is free.
