How Dogs Learn - Dogwise

<p>By the 1980s, there was a paradigm shift toward more positive methods in dog training. Only 20 years before, many trainers felt that dogs had to be "broken" in order to be trained. These changes in thinking matched what was happening in the treatment of people with disabilities and mental health problems. In the 1960s, humans were often treated with shock therapy and the use of aversive ...
