Hey guys, sorry if this has been asked before but I looked around the forum for a bit and could not find anything on this particular notification icon. It is the icon in between the Pandora icon and the headset icon. 121230 I have no clue what it means or what it is there for. I've looked in the user manual for my phone (HTC One M8) and haven't been able to figure it out.

If you turned on your HTC One for the first time and wondered what that weird icon that looks like an N is, it indicates that NFC is on. It seems strange to me that HTC wanted to waste Status bar space on an NFC indicator, but sometimes we just have to deal with it. However, if you're a softModder, you don't have to just deal with it. The icon can't be removed permanently, but there is a very ...
