Humanitarian Reason Book Description: In the face of the world's disorders, moral concerns have provided a powerful ground for developing international as well as local policies.

Humanitarian Reason: A Moral History of the Present

Deftly illuminating the tensions and contradictions in humanitarian government, he reveals the ambiguities confronting states and organizations as they struggle to deal with the intolerable. His critique of humanitarian reason, respectful of the participants involved but lucid about the stakes they disregard, offers theoretical and empirical foundations for a political and moral anthropology.
