I Wish It Were Butterflies. Chapter Five "Damn, it's gettin' dark..." Dean remarked as he drove. The sun was starting to set, and the sky was turning dim. The once bright shades of blue had turned to orange and pink and were getting darker and darker as they drove.

Amazon.com: I Wish It Were Fiction: Holocaust Memories ...

I Wish It Were Fiction is a book written by Aaron Starkman, a Jew that survived the Holocaust. He was able to record some of the events during his time in the camps and how he was on the run for many months. Aaron was around the age of 20 when he was exposed to the horrors of Hitler's camps and troops.

I Wish It Were Fiction: Holocaust Memories, 1939 - 1945 ...

We were all half-dead, suffering from hunger and thirst. We were also almost blind, as a result of being confined for 3 days and nights in a dark, sealed wagon. It was difficult to move one's legs. We could hardly move. Every few steps I and others fell down. The sun shone for everybody, but not for us.

I wish it were fiction : memories, 1939-1945 (Book, 1997 ...

The writer of this memoir, Aaron Starkman, was barely 20 years old when he was driven into the Nazi Hitler hell. He decided to keep a diary, where he made notes of everything that was happening. He did not know whether he would survive. When he was liberated, he gathered all the notes and deposited...

Wish It Were Fiction

"I wish I were" is actually the preference of grammar experts because you're talking about something that hasn't actually occurred. For example, "I wish I were on a beach right now with a pile of books" is something a dedicated bibliomaniac might say, and we'd love to join them!

I Wish It Were Fiction eBook by Aaron Starkman ...

I wish dragons were real. Some people believe dragons are real and just went extinct back when the dinosaurs went extinct. Or maybe it was after the dinosaurs that dragons were around. That makes more sense, because how would warriors have battles with dragons if it was during the dinosaur time. So really I wish dragons were not extinct.
