IB Maths Resources from British International School ...

The exploration is intended to be an opportunity for students to use mathematics to develop an area of interest to them rather than merely to solve a problem set by someone else. Criterion C (personal engagement) will be looking at how well the student is able to demonstrate that he or she has "made the exploration their own" and expressed ...

IB Math Exploration (IB Math Expo) helps students to understand how mathematics works. Some important points to consider about IB Math Exploration (IB Math Expo): In your IB Math Exploration, you need to write about mathematics and not just do mathematics.

IB HL Mathematical Exploration - WordPress.com

sports that involve math. Math like geometry and algebra are very applicable to basketball as the ball forms curves when being shot and the court is full of measurements when involving the players or not. Through this investigation, I have discovered that math is highly involved in the shooting and blocking aspects of basketball.

IB Math SL: Internal Assessment (IA) Example |Photography ...

The exploration is internally assessed by the teacher and externally moderated by the IB using assessment criteria that relate to the objectives for mathematics SL. A student's mark on the exploration will count for 20% of the final IB mathematics grade. The other 80% will come from Paper I and Paper II (which are actually exams; they
