Political Ideology Survey. Which political party do you belong to? Many factors contribute to a person's choice of political party. Research indicates that the strongest factors are family and community influences. The platforms and positions of the two major parties can also have an influence, but these can change and evolve over time.

Ideology And The Development Of

Contents. Capital and Ideology has four main parts, which describe the development of modern ideology, particularly centred around property and inequality, and the central problems in Euro-American, post-Soviet, Chinese, Indian and other societies today. Piketty argues that there is a cyclical tendency for ideology to defend inequality, and for inequality to feed ideology.
