I did a little acting, too, and for a number of years I was a pitchman for Hertz, the rental car people. Some of you might remember me from the television spots: I was always running late, pressed for time, leaping over fences and cars and piles of luggage to catch my flight. If you dont see the irony in that, you will.

The "confession" is actually a short story at the very end, within the book, the rest are chapters from other individuals involved with the case. One of the things that I found impressive were the chapters by the Goldman's, which I suspect were written by Fred Goldman, who is incredibly intelligent and articulate.

If I Did It - Wikipedia

If I Did It is, undoubtedly, a confession, despite the claims that the murder account is purely "hypothetical" and "fictional". There is no actual reason as to why Simpson would write, publish, and promote a "fictional" account of the double murders he was trialed for.

I watched the trial on television, and during it, I knew that he was guilty. The only thing that the book did was answer some of my questions. Its such a shame that he was acquitted of the murders, and even if he came right out and said I did it (which he did with this book) it wouldn't matter since he can't be tried again.
