A good rule to remember is to always look at past papers and understand how to read questions correctly so you know what IGCSE is asking of you. Most of the Theory exam questions are multiple choice but some will need to be written in full sentences as well. Please check out the past papers section on the website.

IGCSE ICT Generic File Types Flashcards | Quizlet

Flat-File Databases. A ' flat-file ' database is one that only contains a single table of data. All of the data in the database is stored in this one place. The student database example that we looked at in the previous section was a flat-file database... The database work that you have to do for the practical exam always uses flat-file databases.
