Imperial Nature: The World Bank and Struggles for Social Justice in the Age of Globalization

Imperial Nature The World Bank

Imperial Nature by Michael Goldman provides a good source of information about the World Bank. This book doesn't require the reader to have prior knowledge about the World Bank and it is not overwhelming in terms of how much information is presented. It presents the history of the Bank and allows the reader to understand its structure and functions.

Imperial nature : the World Bank and struggles for social ...

In Imperial Nature, Michael Goldman, who teaches sociology at the University of Minnesota, opens a window into the inner workings of the World Bank by using specific case studies to show how the bank employs specialists, trains decision makers, generates knowledge, deals with dissenting input, makes decisions and implements large-scale projects. This study also provides a brief history of the World Bank.

Imperial nature: The World Bank and struggles for social ...

In Imperial Nature, Michael Goldman (2005) argued that the power of the World Bank resides not only in its financial capacity to lend money but also in its knowledge production capacities.
