The color balls are a very close approximation and should only be used as a reference point. Axalta disclaims any and all warranties and/or liability, expressed or implied, that the paint colors will match the color balls.

Axalta Imron Marine MS600 Polyurethane Topcoat Base "BLUES" ...
I spray imron a lot it's good paint but its a very high solids paint almost impossible to get it to lay out with no texture on most imron products you apply 1 cross coat for the base and clear 1.4 tip works the best. You can thin the clear with acetone, in most cases I have found that most of the orange peel comes from the base coat of this stuff.
