InfoQ has just published my review of the must-read book, Groovy in Action.If you're doing anything with Groovy, or even considering it, you really owe it to yourself to pick up a copy of this book.If you haven't had a chance yet to check out Groovy in Action, the review should give you a good idea of what to expect from the book, and Manning has also thrown in two chapter excerpts from the

InfoQ  
InfoQ has just put up a video of the entire Roots of Scrum presentation along with slides that synchronize with the video. Very cool! The Roots of Scrum marketing pitch on InfoQ concerning Kent Beck, Scrum, and XP is somewhat exaggerated. In the presentation, I discuss the email Kent sent me in 1995 when he requested materials on Scrum.
