Infernal Devices and A Darkling Plain seem like two parts of one story, less stand along than either Mortal Engines or Predator's Gold. I struggled with the Hester/Wren relationship, too often it seemed combative primarily as a plot device with Hester's personality being flattened to a single dimension before being puffed back to life as soon ...

He has been writing since he was five, but mortal engines, the first book in the Hungry City Chronicles, was his first published novel. He has since followed that with Predator's Gold, Infernal Devices, and the Victorian space opera Larklight. Reeve lives on Dartmoor with his wife, Sarah, and their son, Samuel.

**Editions of Infernal Devices by Philip Reeve**

"Infernal Devices" is first and foremost an adventure story, and what an adventure story it is. Theft, kidnapping, narrow escapes, desperate rescues, trickery, betrayal, double agents, suicide missions, it's all here. Just as in the first two books, perfectly-timed comedy mixes flawlessly with the action.
