LIBRARY + ARCHIVE CATALOG With such a vast and diverse number of artifacts, the items displayed in the museum only represent 2% of the total items we have in the collection. To see the rest, we make our catalog available to view by the public. Dig deeper and discover the breadth of computing history that 's preserved at Living Computers.

Inside The Museum Archive Software
The software is free. You can support the museum project by spreading the word about the free software. In addition, I am selling a book about the database design, and I am offering a Premium edition copy of the software (free) to all (as of Nov 2018).

Library and Archive | British Museum
Digital exhibits such as these offer unprecedented access to organizational treasures that might never be seen otherwise except by those with local physical access to the museum or library. A new breed of open-source and free software tools has recently emerged making it possible to catalog and manage digital collections and create robust narratives and layouts for display online.

Jim Halpin, Computer Consultant and CPA
The Museum Archives Section newsletter is available online in the Resources section of the Canadian Heritage Information Network's website at www.chin.gc.ca. There has been a strong museum archives initiative, in the last fifteen or so years, supported by the National Historical Publications and Records Commission, and I would venture that many, if not most, sizable art museums now have an ...
