international trucks | Expedite Trucking Forums

The International Harvester Company (IHC) has been building its own proprietary truck engines since the introduction of their first truck in 1907. International tended to use proprietary diesel engines. In the 1970s, IHC built the DVT 573 V-8 diesel of 240 and 260 hp (179 and 194 kW) but these were not highly regarded and relatively few were sold.

International's 7500 Has New Power to Go and Slow ...

The Navistar DT engine family is a line of mid-range inline-6 diesel engines. With horsepower ratings ranging from 170 hp (130 kW) to 350 hp (260 kW), the Navistar DT engines are used primarily in medium-duty truck and bus applications such as school buses, although some versions have been developed for heavy-duty regional-haul and severe-service applications.

Navistar DT engine - Wikipedia

been driving a 7500/ht570 we bought new for over three years, only had one turbo actuator problem, 300.00 fixed it. we have 381000 plus on it, allison 6speed auto--have heard many dis the truck but we have found it to be a solid truck, but with the typical international air noise. truck has a lot of get up and go to many think it should be driven like a racer hence many problems.

SUCCESS - IntelligentEco

With the new fuel system, the International DT 466 engine now provides 210-300 horsepower and 520-860 foot-pounds of torque; the DT 570 engine provides 285-330 horsepower and 800-950 foot-pounds of torque, and the HT 570 engine provides 295-340 horsepower and 950-1,150 foot pounds of torque.

CAT vs INTERNATIONAL - Firehouse Forums - Firefighting ...

International is a NASCAR sponsor, so executives picked this place to show off the vehicles on a sunny day in mid-May, to the pleasure of the participants. The vehicles were the latest iterations of International Truck & Engine's 4000, 7000 and 8000 Series medium- and heavy-duty trucks and tractors powered by its own engines.
