International Investment Arbitration:Substantive Principles is an important contribution to the collection and codification of the current state of practice in this field. Index: 1: Overview

International Investment ArbitrationSubstantive Principles

The legal principles that have developed in investment arbitration are subject to intense debate and are still in a state of flux. While tribunals routinely state that they are applying principles of public international law, many principles applied have only been developed recently, and tribunals are often guided more by the approaches taken by other tribunals than by pre-existing public international law doctrines.
