Internationalizing the Teaching of United States Foreign ...

Internationalizing points to an ethnic chain in the transmission of the Gospel, in similar fashion to the ways in which generations describe an age-related chain. Ideally, nationalizing leads to internationalizing which in turn leads to fresh nationalizing within a new people or country, and so on. Seeking Indigenous Navigators, 1960s

Internationalizing The History Of American

Internationalizing (or globalizing) U.S. history is an umbrella term for several methods of broadening the view of U.S. history to include the world beyond its borders. It includes, but is not limited to, use of national comparisons, studying transnational phenomena, and considering larger regional and global contexts for local and national events.

Teachinghistory.org

The health of a discipline is often revealed in the questions it asks of itself, and in its self-consciousness about its origins and development over time. Internationalizing the History of American Art, edited by Barbara Groseclose and Jochen Wierich, is marked throughout by such questioning and self-examination. It distinguishes itself from other overviews of the development of the history ...
