Intrepid kart promo2

At a new track, you need to start with a 'neutral' setup and then make your adjustments based on what the kart is doing and how the track is changing. Usually it is best that you choose as your start set-up the one that you use at your home track. Then you have a comparison with what you are always used to.

Kart Chassis List and Links to Setup Guides - Chassis ...

A spirit of daring, determination and intrepidity. A look of pride, flawlessness and predatorial instinct. Intrepid has the genes of the predator in its dna. And it doesn't go unnoticed: there's no mistaking our distinguishing marks, or the bold colours of challenge we display. The hunt is on.
