The United States of America has separate federal, state, and local governments with taxes imposed at each of these levels. Taxes are levied on income, payroll, property, sales, capital gains, dividends, imports, estates and gifts, as well as various fees. In 2010, taxes collected by federal, state, and municipal governments amounted to 24.8% of GDP. In the OECD, only Chile and Mexico are taxed ...

The Food Timeline--historic food prices

It should be stressed at the outset that this subject is being addressed, not because this writer sees himself as the perfect example of a Christian leader or of maturity, but because this is one of the most lacking elements in the church today, and because the qualities of spiritual maturity are so determinative to the life of the church and society as a whole.

Introduction Business William Nickels James

She bore James eight children, one of whom was William, the grandfather of Willa. James Cather, who was much admired by his grandson Charles, Willa's father, was a man of some distinction in the community. A local historian describes him as "above the average farmer in intellect. Possessed with rare physical strength and wonderful energy, these ...
