Introduction to Electrodynamics: United States Edition ...

David Griffiths: Introduction to Electrodynamics. Here are my solutions to various problems in David J. Griffiths's excellent textbook Introduction to Electrodynamics, Third Edition. Obviously I can't offer any guarantee that all the solutions are actually correct, but I've given them my best shot. After some consideration, I've decided to repost this index to the solutions.

Introduction to-electrodynamics-solution-manual-david ...

But "Classical Electrodynamics" by John David Jackson is my favourite. This book covered some basics very elaborately which Jackson didn't but Jackson clarified some matters better than Griffiths. So, both of the books combined is the best composition for learning and grasping the ideas of classical electrodynamics.
