Introduction To Ysis Edward D

Given these assumptions, (d) is of course false. But suppose further that just a few feet away from the robot dog, there is a real dog, concealed from James's view. Given this further assumption, James's belief in (d) is true. And since this belief is based on ordinary perceptual processes, most epistemologists will agree that it is justified.

Ben Jonson is among the best-known writers

and theorists of English Renaissance

literature, second in reputation only to

Shakespeare. A prolific dramatist and a man

of letters highly learned in the classics, he

profoundly influenced the Augustan age

through his emphasis on the precepts of

Horace, Aristotle, and other classical Greek

and Latin thinkers.
