Designed to provide medical students and beginning residents with a solid foundation and orientation to the field, the book has also been proven valuable to a variety of training programs, including advanced registered nurse practitioners, physician assistants, social workers, and psychologists.

Introductory Textbook Of Psychiatry Sixth Edition PDF

I have known the two authors for over 40 years. They were my first teachers of psychology and psychiatry. I have been reading their Introduction to Psychiatry from the first edition (1976) onwards. The second edition came in 1983, third edition in 1996, and the 4 th edition in 2007. In a way, the progress of the book represents the decennial ...
