ISBN (International Standard
Book Number) is the key
identifier for books in the
supply chain; an ISBN
uniquely identifies a

specific book by a specific publisher in a specific format. The International ISBN Agency wishes to inform publishers, booksellers, libraries and other participants in the book supply chain in Brazil about forthcoming changes with regard to ISBN assignment.

As the market-leading
textbook on the subject,
Project Management: The

Managerial Process is distinguished by its balanced treatment of both the technical and behavioral issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied. It focuses on how project management is integral to the organization as a whole.
