(Although the word doesn't appear in Webster's, there is an article on bracketol-ogy on Wikipedia, so it must be real.)

chem-fax March madness element bracket? | Yahoo Answers

March Madness is a reading competition between teams within our school. The program was created to promote reading in a school where kids weren't reading enough. I found that the students could read, but only when they were excited about it. Most students don't know what to read or are overwhelmed at what to select. The March Madness competition provides a platform to excite
