Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface.

However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

**It's so amazing! : a book about eggs,

Perfectly Normal. Now they've turned their attention to the younger set, probably from five to nine years old. It's So Amazing has that same combination of warmth, humor and solid facts that the first one did. Like the first, it pulls no punches and it's most likely something parents will want to read together with their child with plenty of conversation along the way.

It's So Amazing by Robie H Harris and ... - Banned Library

I took a look at four books on puberty and reproduction with the help of my children, ages 7, 12, and 15. The books are Asking About Sex and Growing Up by Joanna Cole; What's Happening to My Body by Lynda Madaras, a title which has both a girl book and a boy book; and two books by Robie H. Harris, It's So Amazing and It's Perfectly Normal.

Library
I didn't feel anything in the book was offensive to my own Christian faith, so there was nothing I edited from the book. But I did add a lot as far as Biblical perspective. (In two weeks, I'll review another book that I paired with It's So Amazing, specifically to add a Christian worldview to our discussion.)
