However, today when I tried to use it, the headset periodically beeps after connecting to my phone. I think it just needs recharging. It would help if I had a manual or user guide which was not included in the package. I did not see one here for the Jabra VBT185Z.

Jabra Support
The Jabra VBT185Z can be used with most Bluetooth-enabled phones. Wear it on either ear by swiveling or removing the ear hook for hands-free calling. The headset is relatively easy to use, with a large "Multifunction" button located on the front of the headset. Use it for powering the headset on and off and answering phone calls.
