John Keene's Counternarratives is neither a collection of short stories, nor the sort of linked novel-by-proxy series that has become increasingly common in the past decade or so. This extraordinary book is instead unified by the conceit invoked in its title: its stories all counter, challenge, or subvert established narratives about race and slavery in the history of the Americas.

The Poetry of Lucille Clifton Summary | GradeSaver

A decent book that places the life of Jackie Robinson in the greater context of American society and the prelude to the Civil Rights Movement. The book does not lead the reader to feel they know Jackie Robinson's character that well, and in that sense it was not nearly my favorite biography.

Read the passage about the life of Jackie Robinson. Jackie Robinson was born on January 31, 1919, in Cairo, Georgia. He was the youngest of five children and raised by a single mom in relative poverty. Jackie was very much inspired by his older brother Matthew, who won a silver medal in the 200-meter dash at the 1936 Olympic Games, to pursue ...
