James Classic Motorcycles. Introduction. The James Cycle Company Ltd of Greet, Birmingham was founded in 1880 by Harry James and was, therefore, a well-established manufacturer of both pedal cycles and motor cycles when it introduced its model J18 autocyte for the 1938 season. The early version had a small fuel tank, no springing and no engine covers; inverted levers were used for the brakes ...

Villiers Engineering - Wikipedia
The James Cycle Co Ltd., Greet, Birmingham, England, was one of many British cycle and motorcycle makers based in the English Midlands, particularly Birmingham. Most of their light motorcycles, often with the characteristic maroon finish, used Villiers and, later, AMC two-stroke engines.. James were prolific bicycle and motorcycle manufacturers from 1897 to 1966.
