An ebook (short for electronic book), also known as an e-book or eBook,
is a book publication made available in digital form, consisting of text,
images, or both, readable on the flat-panel display of computers or other
electronic devices. Although sometimes defined as "an electronic version
of a printed book", some e-books exist without a printed equivalent.

The shocking, definitive account of the 2020 election and the first year of
the Biden presidency by two New York Times reporters, exposing the
deep fissures within both parties as the country approaches a political
breaking point. This is the authoritative account of an eighteen-month
crisis in American democracy that will be seared into the country's
political memory for decades to come.
