JDT: Downloads

I am going to need to do some development with Eclipse JDT while on holiday. I will be off-line for the most of the time and therefore I will not be able to access the [Eclipse JDT API documentation] (edit : link is now dead) on the Web. I can't find a link to download the documentation in ZIP or PDF or, best of all, CHM format.

Jdt User Guide

JDT relies here on the fact that Java Strings are Unicode and every used DICOM character set can be properly represented as a java String object. JDT will use the character sets specified in the SpecificCharacterSet tag when converting data element values into Java Strings.
