Customer service is fantastic! High OEM quality parts. I installed in 2018 Jeep Compass. The only thing I can see that needs attention is the install manual needs to be clearer and a little more detail.

Overall very happy and Im interested in the foot control option.

The Hornet's styling was based on the AMC Cavalier and Vixen show cars. The Hornet, as well as the Ford Maverick, were considered a response by the domestic automakers to battle with the imports.. Development of the new model took AMC three years, a million man-hours, and US\$40 million. The Hornet was an all-new design.
