Re: John deere 6620 combine in reply to Jdseller, 09-06-2011 02:29:40 He didn't say which 6620 he has,but there were a fair number of Turbo Titan IIs running 8-30 and 25 ft.heads back in the day.Some running 2000A + a year.You are right in that they don't like Hi Moisture corn(35-45%)and mine didn't like foxtail.A lot also depended on how they were ordered with single or dual drives.

John deere 6620 combine - Yesterday's Tractors
With a combine diesel,you need to watch that you get a late one with a Deere engine.and you will have to supply the tractor only diesel engine parts,the gas engine stuff will not work. Others that have done this swap tell me the 404 diesel is a bolt in,while the 466 is longer and needs hood and frame extension to work.
