Questia. After more than twenty years, Questia is discontinuing operations as of Monday, December 21, 2020.

Scientists Marvel at NASA Webb Telescope's New Views of the Cosmos

Someone Has to Die (Spanish: Alguien tiene que morir) is a Spanish-Mexican thriller streaming television limited series created by Manolo Caro, creator of the Netflix series The House of Flowers. The series takes place in 1950s Spain and consists of three episodes revolving around a conservative and traditional society during the Franco regime "where appearances and family ties play a key role".

John Fix Astronomy Journey Cosmic

The course draws on the Emmy-award winning film, Journey of the Universe, and the book from Yale University Press. Journey explores cosmic evolution as a creative process based on connection, interdependence, and emergence. It examines a range of dynamic interactions in the unfolding of galaxies, Earth, life, and human communities.
