The Ultimate Product Catalog comes with several features that will allow you to offer a great experience your customers and visitors. These include the ability to set up a catalog overview page, which shows a thumbnail of each product category and lets people click through to view just those products, a separate shortcode to display a list of products outside the catalog (perfect for creating ...

Ultimate Product Catalog – WordPress Catalog Plugin ...

There are two types of hook: actions and filters. Action Hooks allow you to insert custom code at various points (wherever the hook is run). Filter Hooks allow you to manipulate and return a variable which it passes (for instance a product price). There is an older article on hooks and filters here.
