We've put the links for all official Project Maths (current syllabus) past papers on this page. We have not included old exam papers which focused purely on the old syllabus. If you would like to see these, you can get them on examinations.ie, but watch out for material that is no longer on the syllabus.

MATHEMATICS

For maths I would do some hard questions, as I said before they were very similar

to the UKMT style of questions, so I would do a few of those papers. They were very much problem solving questions so definitely practise that style. I didn't do Spanish so I can't help much there but a friend of mine did the Spanish and French exams and said she ...

Junior Certificate - Wikipedia
