KATANA by Cole Gibsen | Kirkus Reviews

Katana review 1: My opinion of 'Katana' by Cole Gibsen was overall, I decent book. I liked the characters, the plot was interesting enough, and I enjoyed the blend of 'Slice-of-Life' and 'Action Hero' story types, as it is similar to one of my favorite video game series.

Senshi (Katana Series #2) by Cole Gibsen, Paperback ...
The premise of Katana was unlike anything I have ever read before! It was a real page-turner for me and I instantly fell in love with all of the characters. Gibsen's characters are unique, and their dark pasts define who they are in a way that's so different and refreshing compared to the other cliched novels out there.

Amazon.com: Senshi (A Katana Novel) (9780738732619): Cole ...
KATANA, the first book in a new series from debut author Cole Gibsen, is fun to the max, guys. PURE. FUN. It's one of those books that maybe sacrifices a little bit of depth in exchange for lots of adrenaline, action, intrigue, and unexplained flashbacks to a past life as a medieval Japanese samurai.

St. Martin's Press

Cole Gibsen took me on a roller coaster with the first book in this series, Katana, and now she's done it again with Senshi. Magic, lost love, and ninja- lots and lots of ninja. Reincarnation rolls out a few more hiccups ana alliances are broken and reformed as our samurai try to make sense of the increased attacks on Rileigh.

Amazon.com: Customer reviews: Katana (A Katana Novel)

Anyone who's seen me at book club would probably know that I was practically bouncing off the library walls when I found out Katana by Cole Gibsen was the next book we were going to read. I apologize if I looked like a hyperactive bookworm that day and looked like a chipmunk chittering away.

Katana (A Katana Novel) [Cole Gibsen] on Amazon.com. *FREE* shipping on qualifying offers. Kill Bill meets Buffy in this supernatural samurai tale Rileigh Martin would love to believe that adrenaline gave her the uncanny courage and strength to fend off three muggers. But it doesn't explain her dreams of fifteenth century Japan

Cole Gibsen - amazon.com

Genre Young Adult Paranormal *Rating* 3.5-4 *My Thoughts* Senshi is the sequel, or middle book in the Katana series. Time line wise, it has been FOUR months since Rileigh Martin was nearly killed by her nemesis Whitley aka Zeami, and learned that she's the reincarnated fifteenth century samurai warrior known as Senshi.

Book Review | Katana | Cole Gibsen | Tripping Over Books

Well, I think what makes Katana different is that Whitley is really no competition when he is up against the kind of love that lasts for centuries, literally! While the setting is in present day America, Cole Gibsen does a great job bringing us back to 13th century Japan every few chapters so that we can see how Rileigh and Kim's previous lives ...

Cole Gibsen (Author of Written on my Heart)

At seventeen Cole found herself homeless with only a beat-up Volkswagen Jetta and a bag of Goodwill clothing to her name. The only things that got her through the nights she spent parked in truck stops and cornfields were the stacks of books she checked out from the library along with her trusty flashlight.
