causes and consequences of the militancy that erupted in colliers' strikes over the course of nearly half a century.

Killing for Coal – Thomas G. Andrews | Harvard University ...

Throughout Thomas Andrews' work, Killing for Coal: America's Deadliest Labor War, the author explores the underlying causes and origins of the 1914 Ludlow Massacre in Colorado. Offering a unique and direct challenge to modern historiographical accounts on the subject of Ludlow, Andrews argues that the "Great Coalfield War" should not be viewed as a singular event with relatively simplistic causes (Andrews, 9).

Thomas G. Andrews: Killing for Coal: America's Deadliest ...

Thomas G. Andrews uses this conflict as the starting point for Killing for Coal: America's Deadliest Labor War, winner of the Bancroft Prize as well as five other prestigious awards. In this book, Andrews marries environmental history with labor and industrial history, arguing that an event such as the Ludlow Massacre—its highly charged nomenclature indicating its partisan narrative—calls for a much broader context than this one tragic event has received.

Online Library Killing For Coal Americas Deadliest Labor War

Andrews points to the broader transition of industrial America in tipping from organic energy to that of mineral-intensive fossil-fuel consumption. Coal stood at the heart of this transition, and Andrews traces the hidden and utterly ubiquitous presence of coal in shaping the American West, from its use in agriculture and industry to its reshaping of social space in new urban centers ...

Killing for Coal: Thomas G. Andrews

Killing for Coal breaks new ground in its application of environmental history to an episode that has traditionally been dealt with as labor history. Andrews also notes that he is the first to use the transcripts of the final meeting between management and miners before the dust up, a transcript in which the miners lay out their complaints ...

Andrews, Killing for Coal - Cameron Blevins

The massacre, the seminal event of the Colorado Coal Wars, resulted in the deaths of an estimated 21 people; accounts vary. Ludlow was the deadliest single incident in the southern Colorado Coal Strike, which lasted from September 1913 to December 1914.
