However, "whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government." Britain had deprived the colonists of their rights. The king had "establish[ed] . . . an absolute Tyranny over these States."

### **Maya Government - Ancient History Encyclopedia**

Nigerian traditional rulers often derive their titles from the rulers of independent states or communities that existed before the formation of modern Nigeria. Although they do not have formal political power, in many cases they continue to command respect from their people and have considerable influence. Though their bearers usually maintain the monarchical styles and titles of their sovereign ancestors, both their independent activities and their relations with the central and regional govern

A monarchical system of government existed in Ireland from ancient times until—for what became the Republic of Ireland—the early twentieth century. Northern Ireland, as part of the United Kingdom, remains under a monarchical system of government. The Gaelic kingdoms of Ireland ended with the Norman invasion of Ireland, when the kingdom became a fief of the Holy See under the Lordship of the King of England. This lasted until the Parliament of Ireland conferred the crown of Ireland upon ...

Maya politics did not begin with kings in the early Pre-classic period. Much of the political systems in the Maya polities began in the late Pre-classic period around 300 BCE. The rulers of the various Maya city-states were thought to be a kind of human-god hybrid. Men weren't the only people who were allowed to rule.

### **Monarchies in Africa - Wikipedia**

Divine right of kings, in European history, a political doctrine in defense of monarchical absolutism, which asserted that kings derived their authority from God and could not therefore be held accountable for their actions by any earthly authority such as a parliament.

### **King, Kingship - Encyclopedia of The Bible - Bible Gateway**

(On Kingship). However, Thomas Aquinas also stated that the ideal monarchical system would also have at lower levels of government both an aristocracy and elements of democracy in order to create a balance of power. The monarch would also be subject to both natural and divine law, and to the Church in matters of religion.
