You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformers took some work. Some of your search results may also be related works with the same title.

6 Types of Social Power

Knowledge refers to the awareness or understanding on the subject acquired from education or experience of a person. Information is nothing but the refined form of data, which is helpful to understand the meaning. On the other hand, knowledge is the relevant and objective information that helps in drawing conclusions.

Knowledge and Power: The Information Theory of Capitalism ...

George Gilder, in his new book Knowledge and Power, disputes that. The universe, he writes, is actually a vast information system of unfathomable limits. Ever since the rise of information theory in the 1940s, it is becoming increasingly clear that the universe is, in a sense, digital.

Knowledge and Power - Stanford University

Knowledge is power. Information is power. The secreting or hoarding of knowledge or information may be an act of tyranny camouflaged as humility.

Knowledge and Power: the Information Theory of Capitalism ...

Knowledge and Power 206 Introduction: Knowledge, Change, and Higher Education The invocation of the notion of a 'knowledge society' has become ubiquitous. Among its many dangers is that it creates the illusion that we know what we are talking about when we talk about 'knowledge'.

Introduction: Information, Knowledge and Power

In information sciences 'knowledge' is defined as a higher form of information, which requires understanding the patterns and creating useful meaning of the information people collect. History of the term [edit]

Knowledge and Power: The Information Theory

The knowledge of entrepreneurs, and their freedom to share and use that knowledge, are the sparks that light up the economy and set its gears in motion. The power of government to regulate, stifle, manipulate, subsidize or suppress knowledge and ideas is the inertia that slows those gears down, or keeps them from turning at all.

Power-knowledge - Wikipedia

"Knowledge is power." Expert Power is where expertise or knowledge is the source of power. This is where credentials, awards, and know-how play a role. You end up deferring to greater knowledge for the area of expertise, such as a doctor or mechanic.

Knowledge and Power: The Information Theory of Capitalism ...

The earliest documented occurrence of the phrase "Knowledge is power" is from Imam Ali (599-661 CE), as recorded in the tenth-century book Nahj Al-Balagha: Knowledge is power and it can command obedience (maʿrifatu al-ʿilmi dʿnun yadʿnu bihi). A man of knowledge during his lifetime can make people obey and follow him and he is praised and venerated after his death.

'Knowledge and power': The information theory of ...

Thus it is less the case that knowledge is power, than that the use of that knowledge is an expression of power. Conversely, the inability to use knowledge is an expression of impotence. Thus, it cannot be assumed that those who receive information are able to respond.

Amazon.com: Knowledge and Power: The Information Theory of ...

Don't sit down with George Gilder's Knowledge and Power with the idea that you are about to read a book. You are entering into an evening of rambling discussion with a thinker who is revisiting ideas that have animated him for almost half a century, as he delves more deeply into what he was trying Knowledge and Power
