Here's how to find free books (both public domain and otherwise) through Google Books.

Knowledge Management: Processes, Techniques, And Tools ...

The Cycle Of Knowledge Creation The knowledge creation process involves four distinct phases (adapted from Nonaka and Takeuchi). Each phase implies a set of activities to be carried out by the Center. The continuous management of the cycle leads to a “learning spiral” that generates deeper and more powerful levels of knowledge and competence.

Framework For Knowledge Creation - SlideShare

Organizational knowledge creation is the process of making available and amplifying knowledge created by individuals as well as crystallizing and connecting it to an organization's knowledge system. In other words, what individuals come to know in their (work-)life benefits their colleagues and, eventually, the larger organization.
