Glossika German Fluency 1-3 - Language Learning

Which language is most difficult? In our last post (Language Difficulty), we talked about developing an objective method for comparing language difficulty across three aspects: vocabulary acquisition, syntax and grammar, and phonology. Languages are oral and most do not have writing systems, and those that do have a huge disconnect with actual speech, so our language difficulty rating does not ...

The Most Honest Glossika Review You'll Read Online

Khatzumoto, Glossika, Scott Young's recent experiment.. etc. all of them push the mass beginner sentence craze. I suspect the real reason is that the scripts in some of these languages can sometimes be impenetrable (although not the case for Korean), and that useful natural content with script/text is often very hard to find.
