Classic Moped & Motorcycle Manuals

This is the Service Manual for the Velocette Viper, Venom, MSS, 'Clubman' and 'Scrambler' Models, F484/9R (1967). The Service Manuals were originally issued for Agents and Repairers, a separate less

detailed Owner's Handbook being supplied with the machine. The content is appropriate to the parts and materials available at the time of manufacture; however, much has changed since and although substantial parts of the manual are still appropriate care should be taken is using it as a guide.

Velocette Le Manual - Wsntech.net | pdf Book Manual Free ...

The LE Velocette found itself in the workshop after a phone call explaining that the chap who he was sharing the rebuild with had passed away and he held the knowledge on how to put it all back together. I was saddled with the job of putting it all back in an orderly usable fashion with very little information. without being armed with a workshop manual which is almost useless if I had one.
